

YOUR DAY AT ANTIETAM RECREATION

Schedule

9:15-9:30 Arrival

9:30-11:20 Open activities/pool is open (**boys only**)

11:20-11:40 A Dog show will be presented at this time at the Western Town (all other activities closed)

11:40 -1:30 Open activities/pool is open (**girls only**)

1:25 Prepare for departure

(**Lunch**—Groups can choose a time that works best for the group. Suggested times-10:50-11:15 or 11:40-12:00) **SNACK BAR WILL NOT BE OPEN!**

Open activities (*Conditions permitting*)

Swimming, slip-n-slide, boat slide, cable ride, carousel swing ride (younger children), horse rides (9:30—11:00), canoeing, kayaking, moon bounce (younger children), dunking booth, burma bridge, barge, giant rope swing, petting zoo, tennis, badminton, volleyball, basketball

Students may get wet and dirty, so please be prepared. It is recommended that each student wear old clothing and bring an extra change of clothing. Students may prefer to wear their swim suits under their clothing to allow more time to participate. We support the dress policies of the school and ask that shirts be worn over swim suits after leaving the pool area. Shoes must be worn when not at the pool area.

Special Activities (Times and Activities are subject to change depending on weather, interest and size of group.)

Offered periodically throughout the day . Announcements will be made to let you know when the activity will begin.

9:45-10:15 Capture the Flag (meets at the Tree stump outside the girl's locker room)

10:15-10:45 Gaga Ball (at the tennis court)

10:45-11:15 Bombardment Game (meets at the top of the pavilion stairs)

11:20-11:40 Show in Western Town (All other activities closed)

11:45-12:15 Capture the Flag (meets at the Tree stump outside the girl's locker room)

12:15-12:45 Gaga Ball (at the tennis court)

12:45-1:15 Bombardment Game (meets at the top of the pavilion stairs)

Please note: We rarely stop the regular activities due to rain. In most cases, rain is not a deterrent for the children and may even add to the excitement of the day. During an electrical storm, or possible hazardous conditions, activities will be moved to the main building, the barn, or the main building's lower level.
